### CERTIFICATION OF CLEANINESS

I acknowledge that employees of DWK Life Sciences will be required to handle the pipettes being delivered to DWK Life Sciences as part of this trade-in program who have no way of knowing the uses to which these pipettes have been put. By my signature below, I certify that all pipettes being delivered to DWK Life Sciences for trade-in have been cleaned and are free of any biological, bacteriological, virological, chemical, radioactive or toxic material.

DWK Life Sciences reserves the right to invoice my account for any required handling or cleaning costs if pipettes are not returned in clean and safe condition, and for any costs associated with harm or injury to any DWK Life Sciences employee, agent, contractor or representative caused by exposure to pipettes containing any biological, bacteriological, virological, chemical, radioactive or toxic material.

Offer valid in North America only. Offer valid for one trade-in pipette for one new pipette. Offer can be used up to 8 times per customer. If trade-in pipettes are not returned within 30 days, customer will be charged full retail price. Customer responsible for all shipping costs. MLA pipettes cannot be returned as a trade in.
